Sir,

I have the honour to state that the President of the Nelamangala High School Hostel Committee wrote to the Board that they could not secure a building at Nelamangala for the location of the Hostel immediately, and requested that the Musafirkhana Building at the place, under the control of the Board, may be temporarily placed at the disposal of the Committee for the Hostel till a new building was constructed.

The subject came before the Board at the meeting held on 28th August 1944, who resolved that in view of the fact that the building is not much frequented and as there is also a Travellers' Bungalow at the place, the Musafirkhana Building, with the vessels therein may be handed over to the President of the Hostel Committee for Hostel purposes, for a period of two years only.

A copy of the resolution of the Board is herewith sent with a request that sanction of Government may be accorded thereto early.
